Dear Friends,

I am writing on behalf of Lifting Families Together (LFT), a nonprofit 501(C)(3) organization. The primary mission of LFT is: "To improve the quality of life for children with health care issues." We invite you to partner with us in meeting these needs.

We are planning our annual fundraiser on November 19, 2022. We would be deeply honored if you would become an advertiser for this year's souvenir program booklet. This is a perfect place to showcase your family, church, business or share a personal message. Best of all, the proceeds help us provide programs that focus on the well-being of the children while engaging and empowering families. **All ads, forms, and payments are due by October 15, 2022.**
